Embrace the new world of healthcare

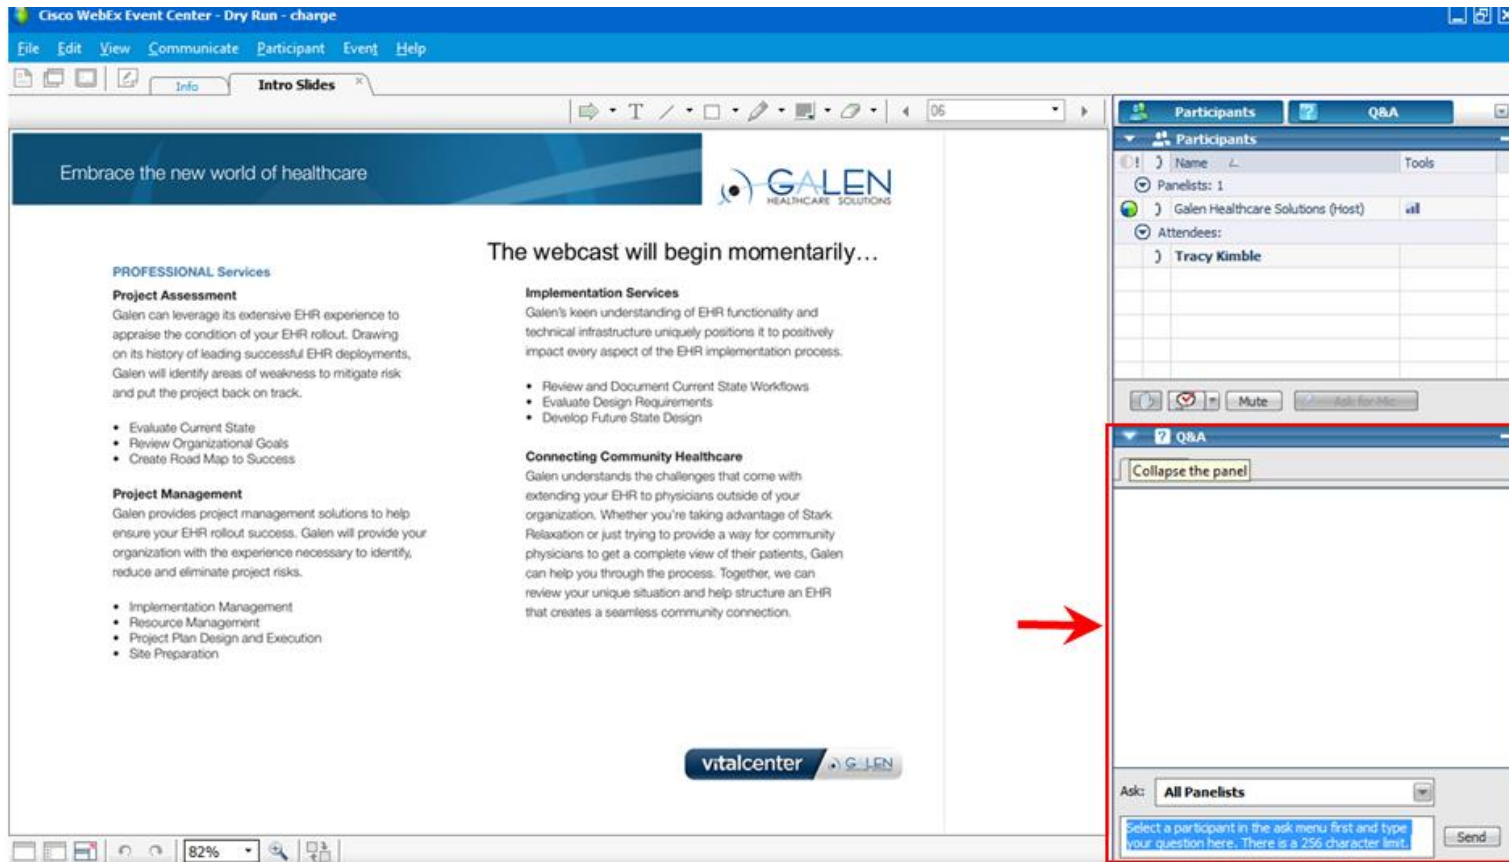

Mary Larson – Senior Consultant – Galen Healthcare

M. Larson is a senior consultant at Galen with over 25 years clinical experience and 6 years EHR. She has worked with sites as they transitioned from paper charts to full EHR

Tony Yelacic – Senior Consultant – Galen Healthcare

Tony Yelacic is a senior consultant at Galen with over 30 years in healthcare, the last 9 spent with the electronic health record.

Your phone has been automatically muted. Please use the Q&A panel to ask questions during the presentation!

The screenshot shows a Cisco WebEx Event Center window titled "Cisco WebEx Event Center - Dry Run - charge". The main content area displays a presentation slide with the following text:

Embrace the new world of healthcare

GALEN HEALTHCARE SOLUTIONS

The webcast will begin momentarily...

PROFESSIONAL Services

Project Assessment
Galen can leverage its extensive EHR experience to appraise the condition of your EHR rollout. Drawing on its history of leading successful EHR deployments, Galen will identify areas of weakness to mitigate risk and put the project back on track.

- Evaluate Current State
- Review Organizational Goals
- Create Road Map to Success

Project Management
Galen provides project management solutions to help ensure your EHR rollout success. Galen will provide your organization with the experience necessary to identify, reduce and eliminate project risks.

- Implementation Management
- Resource Management
- Project Plan Design and Execution
- Site Preparation

Implementation Services
Galen's keen understanding of EHR functionality and technical infrastructure uniquely positions it to positively impact every aspect of the EHR implementation process.

- Review and Document Current State Workflows
- Evaluate Design Requirements
- Develop Future State Design

Connecting Community Healthcare
Galen understands the challenges that come with extending your EHR to physicians outside of your organization. Whether you're taking advantage of Stark Relaxation or just trying to provide a way for community physicians to get a complete view of their patients, Galen can help you through the process. Together, we can review your unique situation and help structure an EHR that creates a seamless community connection.

vitalcenter **GALEN**

On the right side of the interface, there is a "Participants" panel and a "Q&A" panel. The "Q&A" panel is highlighted with a red border and contains a "Collapse the panel" button. Below the "Q&A" panel, there is a "Mute" button and a "Ask For Mic" button. At the bottom of the "Q&A" panel, there is a dropdown menu set to "All Panelists" and a "Send" button. A red arrow points from the "Q&A" panel towards the main content area.
